### Tempe News Notes

### SECOND ROBBERY OF TEMPE STORE

Apparently intent on securing a line of garments to fit his own sizes and likings, some party broke into the stock room of Hyder Brothers store yesterday morning or the night before and helped himself to a choice variety of wearing apparel. It was late in the forenoon yesterday before the robbery was discovered and up to last night no trace of the guilty one had been found.

The store building proper was not molested. The enclosed frame shed on the rear was entered by breaking away a few boards and the stock room entered with but little trouble. By covering the lone window with blankets and shielding the electric light with handkerchiefs, the robber had all the time he desired and he took special pains to get a choice assortment from the stock of winter and summer goods that were in the house.

A couple of months ago someone picked the lock on the shoe show case in front of Hyder's store and made a successful getaway with ten unmatched shoes.

### LADIES' DAY

Sunday at the Bear's park has been designated as "Ladies' Day" and the grace stand will be "entirely" free to the ladies. The first game on the home grounds with Mesa is being eagerly looked forward to by local fans and as a double attraction the band will be out for another concert on Sunday. Mack Nevitt will probably do the pitching for Tempe.

### FARNUM AT TEMPEAN

The Tempean opens its week end bill this evening with one of the biggest hits on the Paramount program, Dustin Farnum in "The Gentleman from Indiana." The photoplay is a story of how one of the football stars of college plunges into the thick of Indiana politics and through purchasing the town paper fearlessly smashes the corrupt political machine of the town. This in a few words is the gist of the play, but it by no means conveys to the reader the wonderful photoplay that has been built around Booth Tarkington's very human story. It is a picture that all will want to see.

### AT T. N. S. TONIGHT

Members of the Normal Debating Society at the Normal tonight will compete for the John Sandage cup that was not up last year by that former enthusiastic debater of the school. Sandage is now attending college but still holds a friendly interest in Tempe normal. Aside from the debate tonight the Athenian Debating club will present a stunt of some sort.

### WILL MOVE SOON

Mr. and Mrs. Howard Brown have secured an attractive home at 325 E. McFarland Street in Phoenix and hope to move over the early part of the week. Mr. Brown is giving up his work as clerk for the town in Tempe to enter the employ of the Goldman grocery company.

### MEMORIAL SERVICE

The Odd Fellows annual memorial services will be held next Sunday morning at the eleven o'clock hour at the Christian church. Rev. J. R. Rountree will preach the sermon.

### "DRUGGED WATERS"

Gloria Fonda plays tonight at the opera house in "Drugged Waters," a Red Feather feature. This is a charming love story interwoven with comedy and is one of the best of Red Feather features which have generally called forth much favorable comment. The

WHEN IN MESA stop at the Rexall Rooms, with private bath, the only one with running water in every room; also screen sleeping porch, with cots. Terms for summer. Under new management of a party from Salt Lake City.

### Casa Loma Hotel Dining Room

Suitable for banquets, dances, receptions, etc., for rent any time at reasonable rates.

### TONIGHT OPERA HOUSE

Tempe

mystery of Mary Page, more interesting in each episode is also shown to-night together with a comedy. Tomorrow night Charlie Chaplin plays in "Ambition," "Drift," a story of a big fight against the liquor trust is also part of the program.

### UNION MEET TONIGHT

The churches of Tempe will unite on Sunday evening for a service at the Christian tabernacle at which C. J. Banks, secretary of the state temperance federation will be the principal speaker. Mr. Banks will discuss the temperance question from all its angles and a very interesting discourse is promised.

### GLOBE FOR THE SUMMER

John Spikes, prominent a few years ago in school and baseball circles in the valley, has spent the last few days in Tempe and expects to leave this morning for Globe where he has a contract with the town team for the summer months. Spikes was principal of the Whittier school the past term and returns to that position with the opening of the schools in the fall.

### TO TRAVEL A BIT

Claude Clark, for a number of years of the firm of Clark Brothers in Tempe, has disposed of his interests in the married to his brother, Clarence. He left night before last for the coast and will either locate there or continue on to the old home in Kansas.

### Mesa News Notes

### STIRRING CALL FOR RECRUITS

The following telegram came from Douglas yesterday. The senders are Captain Noble of Company D and Dr. Greer, of this place, now a lieutenant in the medical corps: "Pulsing fact that we are the organized militia called into federal service by the president. We do not become regulars. This company and regiment need more men who will serve for this occasion. Do not let Arizona fall down on their call. Our border needs protection. Parents should encourage their boys to serve the purpose for which they are called upon. Do not let it be necessary for the president to call other organizations to protect Arizona and send us home having failed to get the required number." (Signed) Captain Noble, Lieutenant Greer.

That the First regiment is badly in need of men to bring it up to the required strength is very evident and that the recruiting officers are doing their best is also evident. Captain LeBaron has succeeded in sending over thirty young men and there are others who have offered for service who are awaiting the consent of their parents, for the reason that the boys are not quite of age. If every wife or parent had the spirit expressed by one young woman who has been married only about a year, the call for recruits would not go unheeded. She was heard to say the other day: "Sure my husband has gone. It was his duty to go. He signed up and I would hate to think he wasn't man enough to stick to it." It is the old American spirit speaking through this little woman and Captain Noble and Lieutenant Greer are pleading for its expression in the young manhood of Arizona. The telegram makes

it plain that the recruits are enlisting not as regulars and will be mustered out when the present duty is fulfilled.

### THE RINGING OF THE CURFEW

"Curfew Shall Not Ring Tonight" without every youngster immediately scouting for home. So says Marshal Peyton and Night Officer Gilbert. The order applies not only to small children, but to boys and girls without written permission from their parents. Young girls must have escort. The last order has been made because of the number of young women who have been frightened recently by some person.

### EXHIBITS FURNISHED

The Commercial Club is asking for exhibits for the State Fair this fall. Louis Groehler furnished some excellent bundles of wheat and barley. J. H. Rouse some oats and M. C. Phelps some wheat. A small supply has been secured from the experimental farm, but the farm is not in position as yet to furnish such specimens as it wishes to turn out. Farmers having any choice grain, or fruits or vegetables are urged to furnish the same, for which due credit will be given by names attached to the exhibit at the fair. Ladies will be asked for samples of preserved fruits and such other articles as form part of the Maricopa county exhibit.

### ARM BADLY CRUSHED

Frank, the 14-year-old son of H. B. Laing, of the Gilbert country, had his right arm badly broken Wednesday, while driving a mowing machine. The lad was with his father at work and while climbing to the seat he slipped. The team started and the boy's arm was caught in the driving wheel, breaking it and forcing the bone through the flesh. Mrs. Stuehlow and Dr. Greer attended the injury. This report that the break, while a very bad one, will probably come out all right.

### FIXING MUD HOLE

That wet, "smelly" place on the most prominent corner in the town will shortly be no more. When the drinking fountain was not leaking of its own accord, the small boy was playing with the hydrant and the result has been a foul-looking and foul-smelling spot. The council has ordered a cement drainage pipe to carry off the water.

### STAGE LINE TO RAY

A stage line making daily trips to Superior and Ray has been started by J. A. Smith, recently of San Diego. He will carry both freight and passengers. Mr. Smith has been in the auto bus business in the California city, but some very stringent regulations as to competition with the street car line caused him to remove to this place. He has a number of cars to put into the Ray service.

### TRIANGLE NIGHT

The offering tonight at the Majestic is a five-reel photodrama, "Betty of Graystone." Miss Dorothy Gish is in the lead and the cast includes Owen Moore and George Fawcett. In addition there will be a two-reel comedy, "Cinders of Love."

### DANCE TONIGHT

A dance will be given at the Mesa opera house tonight at which good music and plenty of free lemonade is promised. The purpose of the dance is to secure funds needed in bettering the equipment of the local baseball team.

### WARNING TO BICYCLE RIDERS

Boys and girls and some few older people, had better speed up faster than the officers if at any time they decide to use the sidewalks as a roadway for bicycles. Pedestrians have had a busy time lately dodging wheels, and the city police have determined to nab anyone who violates the law as to riding on the sidewalk.

### SOME BARLEY

The state experimental farm, just west of Mesa, has had the barley raised on this farm threshed. The local manager states that it averaged 120 pounds to the sack.

## "FIRST--TO--BEAR--VALLEY" The Buick

At a great expense we have secured the most wonderful motion picture reel of its kind.

It reveals the many methods used to extricate a car from mud, etc., and is a lesson in itself.

It takes you through some of the most wonderful country in California.

It accomplishes the impossible.

It holds your undivided attention from the beginning—and at the finish you ask yourself could such a thing be possible.

It has been pronounced by local critics as "A Work of Real Art."
